

Valley View High School Parent-Teacher-Student Association

Membership is open to anyone who believes in the Mission and Purposes of the National Parent Teacher Association. Every person who joins the Valley View High School PTSA automatically becomes a member of both the Pennsylvania and National PTAs.

The PTSA provides youth members with the opportunity to make a difference by developing leadership skills, learning about the legislative process, increasing their self-esteem, and contributing to the school. In turn, adult members gain a new perspective for program development, as well as acquire a better understanding of the youth of today.

Together we are a powerful voice for children. With your help, we can continue to work toward PTA's goal of a quality education and nurturing environment for every child.
